## About us

Duc Thanh was established on May 19<sup>th</sup>, **1991** with a core value of "contributing to environment protection", while being the leading professional manufacturer of kitchenware, household utensils and toys made of rubberwood, beechwood, acacia wood, MDF, plywood, etc. In addition, we can produce other types of wood, if you place orders with large quantities.

"Home Paradise" is the ideal that we would like to achieve for our customers. Our mission is demonstrated through our existing product lines. Since 2006, we achieved several key milestones including the launch of WINWINTOYS, which encompasses a wide selection of high-quality educational toys for children.

**10 years later**, it would be a successful business of Duc Thanh when we have become one of the top 50 best companies in the stock market voted by Forbes - a reputable business magazine. This is considered as a present for us after 25 years of founding and developing, thanks to our good services to satisfy customers.

Duc Thanh has two big factories located in Ho Chi Minh City and Binh Duong Province which cover an area of over 45,600 square meters. We have continuously strengthened the optimal position in the wood processing industry in Vietnam and the international market with a remarkably increasing revenue, a labor force of over 1,000 skillful workers, the modern equipment.

Duc Thanh has achieved certificates: **ISO 9001:2015**, **BSCI**, **C-TPAT**, **CE** and many other certificates in more than 29 last years.

Duc Thanh always prides on its strength: delivering goods on time, having the ability to produce big and numerous orders and especially meeting the urgent orders.

## KITCHENWARE

Kitchen is more than just a place for cooking. Some double as informal dining areas and gathering spaces as well, designing a good kitchen interior is more than just picking the right appliances. Here is Duc Thanh's kitchenware collection that is experimental, new and different - some of which serve novel functions and others of which may be too conceptual to be useful.
